### About OpSource

OpSource™, the SaaS experts, is solely focused on providing the operational infrastructure and ongoing services that enable software companies to deliver and maintain the highest quality Software as a Service (SaaS) solutions. By choosing OpSource as a SaaS partner, the software company is free from infrastructure management and can focus on improving its applications and finding new customers. OpSource's Optimal On-Demand<sup>sm</sup> infrastructure enables software companies to deploy SaaS quickly, effortlessly, and without risk. Software companies at any stage in the application lifecycle, delivering any type of application, can benefit from our comprehensive services and expertise. OpSource is the only company to offer Success-Based Pricing<sup>sm</sup>, our per unit pricing model which allows companies to begin with a minimum commitment, and expenses scale only as revenue increases. For more information about OpSource, visit [opsource.net](http://opsource.net).
